THE JB APPROACH

Practical support. Personal service.

Established in 2008, JB Holdings brings together transport, cargo logistics, warehousing, vehicle hire and construction-material supply. From Dar es Salaam, we keep business moving across Tanzania and neighbouring countries.

CONSTRUCTION MATERIALS

Solid supply for the build ahead.

Sand, murram, stones and aggregates, with supply and delivery arrangements matched to your site. Tell us the specification, quantity and delivery date, and let’s plan the next stage.

LET’S TALK BUSINESS

What’s your next move?

Tell us what you need to move, store, hire or build. Let’s discuss a practical way forward.

COMPANY PROFILE

Moving cargo. Supporting growth.

Transportation · Cargo logistics
Warehousing · Car hire
Construction-material supply

Transportation

Your cargo. Our commitment.

Road transport planned around your load and delivery priorities. From commercial goods and equipment to bulk materials, we coordinate collection and delivery across Tanzania and neighbouring countries, with routes arranged to suit your requirements.

Cargo logistics

The details handled. The journey connected.

Connect collection, transport, handling, storage and dispatch through one practical plan. We help each stage support the next, with a clear point of contact from the first arrangement to final delivery.

Warehousing

Space for your stock. Room for your business.

Give your goods a practical base between arrival and onward delivery. We support planned storage, organised handling and coordinated dispatch, with arrangements matched to your cargo and storage period.

- Short and longer-term storage
- Storage linked to onward transport
- Covered indoor storage for goods and equipment
- Open-yard storage for 30+ containers and oversized cargo

OUR PURPOSE

To support our customers with dependable transport, practical logistics and responsive service that helps their businesses move forward.

Car hire

The right vehicle for the work ahead.

SUVs, luxury cars and commercial vehicles available for rental and hire. From business travel to project assignments, we match passenger vehicles, FUSO trucks, tipper trucks and semi-trailers to your dates, destination and requirements.

Business trips · Executive travel
Project and commercial assignments

SUVs and luxury cars for every occasion
